Features and Departments of a City Directory

Your new, improved City Directory is the most complete and comprehensive catalog ever published of the inhabitants, business concerns and institutions of your city. It is much more than just an alphabetical list of names and addresses.

Your City Directory Contains:

1

An *ALPHABETICAL* list of names and addresses of every resident, business concern and institution, plus wife's name and if a widow the deceased husband's initial, and the occupations of all. Principal officers or owners and a description of businesses are included as well.

2

A *HOUSEHOLDERS' DIRECTORY* including a Street and Avenue Guide. This section lists every street and where intersecting streets appear. It lists numerically every location on each street, naming the householder or business at each number and whether the person is a homeowner or renter and if he has a telephone. Similar information is provided on office and public buildings and their occupants.

3

A *CLASSIFIED BUSINESS DIRECTORY* listing every business, classified as to type, and showing names and addresses. It also lists every profession, club, society and association, hospital and cemetery, labor organization, library, park and playground and school.

4

A *"BUYERS' GUIDE SECTION"*, where the advertiser may explain in greater detail the services or products he has to offer.

5

A *STATISTICAL and HISTORICAL STORY* of your city; plus miscellaneous other information.

INTRODUCTION AND GENERAL INDEX

HILL DIRECTORY COMPANY, publishers of Southeastern Directories (publishers of the High Point City Directory since 1933), presents to subscribers and the general public, this, the 1965 edition of the High Point City Directory, which also includes Allen Jay, Archdale and Emerywood Estates. (In all, the Hill Directory and its affiliated companies publish more than 1,300 city, county, state and national Directories.)

Confidence in the growth of High Point's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting High Point to the world.

The enviable position occupied by HILL'S Directories in the estimation of the public, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the High Point Directory will fulfill its mission as a source of authentic information pertaining to the community.

Four Major Departments

The four major departments are arranged in the following order:—

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper. In the first section of this department, grouped under appropriate headings, are included the advertisements and business cards of firms and individuals desiring to make a complete presentation of their products or services. Following this is the Classified Business section which embraces a list of the names and addresses of all business and professional concerns of the community, arranged in alphabetical order under appropriate headings, a catalog of all the activities of the community. The Buyers' Guide represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. In a busy and diversified community like High Point, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents and business and professional concerns, is the second major department, printed on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident of High Point, and the name, official personnel, nature and address of each firm and corporation in the community.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE is the third major department, printed on green paper. In this section the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner-occupied homes and the listing of telephone numbers.

805/85

IV. THE NUMERICAL TELEPHONE DIRECTORY is the fourth major department, printed on blue paper.

Community Publicity

The Directory reflects the achievements and ambitions of the community, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of High Point and vicinity.

The High Point Out-of-Town City Directory Library

Through the courtesy of the publishers of the High Point City Directory, a Directory Library is maintained in the offices of the High Point Chamber of Commerce, for free reference by the general public. This is one of more than 1,000 Directory Libraries installed in cities and towns throughout the United States, Canada and Puerto Rico by members of the Association of North American Directory Publishers, under whose supervision the system is operated.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

HILL DIRECTORY COMPANY,
Publishers.

Origin of Name

High Point was originally on the Indian Trail extending from the sea-shore to the mountains.

High Point derived its name from a statement made by Captain Gregg, chief engineer of the surveyors of the North Carolina Railroad, from Goldsboro to Charlotte (now leased by the Southern Railway), in which he said, "This is the highest point along the whole survey, so we will mark it High Point."

Southern Furniture Exposition Building

Industry

High Point occupies the unique position of being the Southern center of two major industries - furniture and hosiery manufacturing.

The first furniture factory was established in 1888 - today there are 97 furniture factories located here manufacturing a complete line of wooden and upholstered household furniture including also office desks and other equipment.

There are many factories which maintain private showrooms. In addition there are a number of exhibition buildings which display the products of approximately 600 manufacturers. These are: The Southern Furniture Exposition Building, Furniture Plaza, High Point National Furniture Mart, Merchant Mart, Furniture Displays Building, Southeastern Building and the Dealer's Mart. The combined floor space of these buildings totals well over 1,000,000 square feet. High Point is the focal point of the great Southern Furniture Market recognized as the only truly national furniture markets in the country, and as one of the most significant furniture markets in the world. New styles are shown to the trade at four markets each year - in April and October to a national and international audience and in January and July to a regional audience. Private showrooms and exhibition buildings are open only to members of the trade and are closed to the general public.

The daily capacity of the 30 hosiery mills of High Point exceeds 80,000 dozen pairs of hose. The manufacture of hosiery ranges from infants' hose to ladies' seamless hose. The volume of men's half hose and boys' socks are predominant. This makes High Point the largest producer of hosiery in the world. The first hosiery mill in High Point was established in 1905.

There is a wide diversity of manufacturing in High Point -- in addition to 97 furniture factories and 30 hosiery mills, there are 252 other diversified manufacturing plants. Among these are plants manufacturing: overalls, work shirts, men's summer clothing, mattresses, box springs, pillows, veneers, plywoods, fibre glass boats, art glass, paints, enamels, varnishes, lacquers, sealers, stains, fillers, undercoats and reducers, building materials, mirrors, glass furniture and novelties, toys, hosiery transfers, embossers' labels and seals, silk and rayon weaving, hosiery and underwear yarns, dyes, chemicals, and textile oil specialties, paper boxes, corrugated shipping containers, television cabinets, textile spools, polyurethane foam, electronics, tools and dies, etc.

The manufacturer will find in High Point many advantages so necessary for successful and profitable operation (this is proved by the successful operation of plants now located here). Among these are climate (good living and working conditions); availability of intelligent native labor, 79.8% native white, 19.7 Negro, 0.5% foreign-born, according to 1960 census; harmonious industrial relations efficient public utilities; adequate electric power and modern municipal facilities.

Located on main line of the double-tracked Southern Railway System between Washington, D. C. and Atlanta, Ga.

On The High Point, Thomasville & Denton Railroad, a locally owned and successful short-line railroad connecting, through the Winston-Salem Southbound Railroad, with the North and Western Railway, the Atlantic Coast Line Railroad and the Norfolk Southern Railroad, with through rates and service applying.

Air service through the Greensboro-High Point Airport is furnished by Eastern Airlines main line, United Airlines and Piedmont Airlines.

Sixteen motor-freight lines operate out of High Point.

Charter and Form of Government

The original charter of the City of High Point was granted by the State Legislature in 1859. The present council-manager form of government was inaugurated by charter amendments in 1915 and 1931.

The present charter provides for a city council consisting in a mayor and eight councilmen.

High Point is operated under a modern-city manager charter which places responsibility for efficient operation of all departments upon which the city manager and delegates to him authority commensurate with such responsibility.

Pursuant to provisions in the State of North Carolina Constitution, no new indebtedness may be created in any fiscal year in excess of 66.67% of the amount of retired during the previous year except by vote of the citizens.

Electric Distribution System

The City operates its residential, commercial electrical system with considerable net profit. The City's charges for electric current sold to its residential and commercial consumers are no greater than those charged for similar classes of service rendered by private utility companies operating in this area. Duke Power Company supplies all electricity in our area and distributes industrial power.

Education

High Point College is one of the most dynamic and progressive institutions of the South. Its fundamental purpose is to prepare students for the tremendously important leadership roles of the future. In doing this, it stresses active participation and responsibility on the part of the students for their learning experiences.

It is accredited by regional, state, and church agencies and its curriculum provides for A.B., B. S. and A.B.T. degrees in 17 major fields. High academic standards are maintained and only those students who show leadership potential and are in the upper half of their high school graduating class are admitted.

In addition to the regular college program, High Point College maintains an evening college for those who work, numerous special conferences, seminars, workshops, and short courses. It was the first college in the South to offer laboratory programs in leadership and continues these programs for students, faculty, church, educational, business and religious groups.

The enrollment of 1,200 represents 21 states and 6 foreign countries. The campus consists of 65 beautifully wooded acres with modern fire-proof buildings. Tuition and costs are maintained at a minimum to assure an education for anyone with the aptitude and the ambition.

Public Schools - High Point City Schools - The city school system, with an enrollment of 13,108, and a professional staff of 545, includes eighteen schools, consisting of two senior high schools, three junior high schools, and thirteen elementary schools, housed in buildings valued at \$13,500,000. Six public schools of the Guilford County System are located on the edges of High Point, and five other Davidson and Randolph County schools are located nearby. The Guilford Industrial Education Center, a vocational school offering high school and technical courses, which is operated through public funds by a board, is located in nearby Jamestown.

Private schools located in High Point include nurseries, kindergartens, and sectarian and parochial schools in grades 1 through 8.

Colleges - High Point College. Colleges located within easy commuting range: Wake Forest College, Winston-Salem College, Salem College, University of North Carolina at Greensboro, Greensboro College, Guilford College, Bennett College and A. & T. College.

Private Business Schools - Bryce Commercial College, North State Business College.

Beauty Colleges - (2) - Artistic Beauty College, Continental Beauty College.

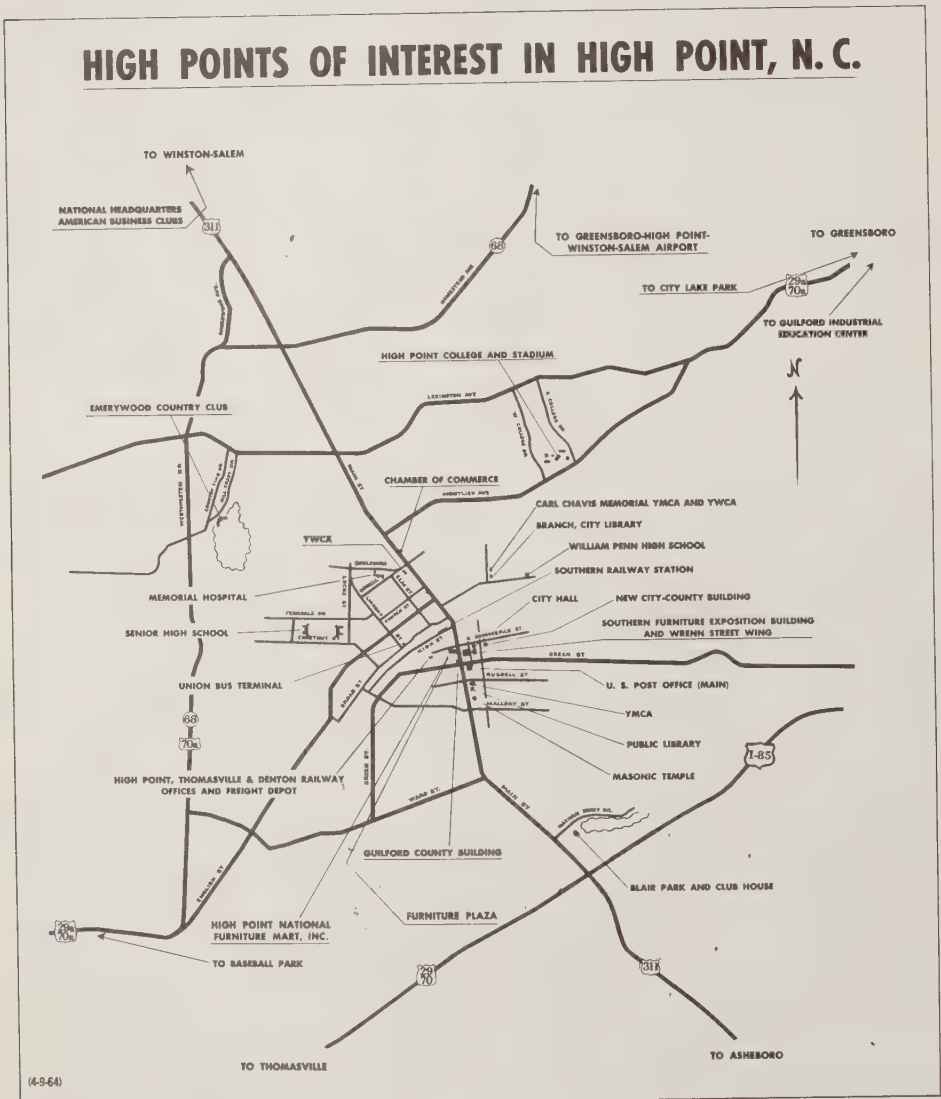

Recreation Area and Climate

City Lake Park - 969.36 acres. Swimming pool 270 feet long, 165 feet wide, ranging in depth from 2½ to 11 feet; ample for Olympic swimming trials; water tested continuously as to purification; large wading pool, free swimming classes. Capacity of pool is 1,250,000 gallons of water. Concrete dam and walkway over watershed. Modern spacious gym, pavilion, softball field, outdoor amphitheatre, childrens playgrounds equipped with the most modern play equipment, family picnic facilities. Miniature train and large liner to take passengers on tour of High Point watershed. There are 341.0 water and 628.36 acres of field and forest at City Lake.

Washington Terrace - 27 acres, swimming pool, wading pool, 4 tennis courts, 2 of which are lighted and paved. Paved multi-use areas, picnic grounds picnic shelters, paved parking areas behind recreation center. Softball field,

lighted athletic and baseball field, playground for children, modern recreation center, miniature train and airplane amusement ride.

Blair Park - 152.9 acres. Golf Course; 18 hole championship golf course, clubhouse, pro-shop and maintenance shed area, 5 AAU regulation lighted horseshoe pits; 4 paved and lighted tennis courts; and modern administration offices.

Over 1,500 acres and recreation lands including approximately 58 park strips and garden plots throughout the city of High Point ranging from 50 x 50 to 2 to 2½ acres in size. 10 lighted ball fields, and 9 parks which serve the needs for men, women and children's recreation program.

Active cultural arts program which includes men and women's chorus, community orchestra, community band, and community theatre. Also, Saturday morning children's cultural programs presented monthly in cooperation with Arts Council.

Active arts and crafts workshop and ceramics center.

Fourteen playgrounds, scattered throughout the city, staffed during the summer. Six neighborhood recreation centers, with trained personnel at each center to operate a program of recreation for all ages.

Numerous other special facilities under the supervision of the Parks and Recreation Department.

Population Growth

Census: 1900, 4,163; 1910, 9,525; 1920, 14,302; 1930, 36,745; 1940, 38,495; 1950, 39,973; 1960, 62,063 (including 19.6 square miles annexed January 1, 1960); December 31, 1964 estimated, 71,371.

Guilford County

Guilford County is named for Frederick (Lord North), Earl of Guilford. Area, 691 square miles. Formed in 1770 from Orange and Rowan counties. Population 246,520 (1960 Census). Estimated 1964, 272,500.

Agriculture

Farming in Guilford County is progressive and prosperous. Climate and soil conditions are favorable and markets are numerous and accessible. Major farm products produced in the county include tobacco, corn, hay, wheat and sweet potatoes. Dairy farming, beef production, poultry and egg production and feeder pigs are fast becoming major sources of income. The value of agricultural products produced in 1964 is \$18,314,115. We have one major packing plant processing cattle and hogs and five poultry processing plants capable of handling 500,000 birds per week. Many of our farmers produce strawberries and vegetable crops for our urban friends on a "pick-it-yourself" program.

Our people are supporters of 4-H, FFA programs for our youth. Farm Bureau and Grange organizations are active throughout our county.

HIGH POINT

NORTH CAROLINA

It is said that the main reasons which determine
industrial location are. ..

MARKETS: The Market of the areas of which High Point is the center is the most important in the South and Southeast. Here the average income is higher, industry is relatively concentrated and farming is more productive. Statistically, in nearly every economic characteristic this section compares on a basis of equal or better with national averages. Nearly every type of consumer goods sells on a par with any section of the country, per dollar per capita. Accessibility to the nation's biggest markets is both fast and convenient. We can well be proud of our schools, colleges and recreational facilities.

MATERIALS: These same areas produce timber, cotton, tobacco far in excess of local needs . . . many other raw materials are conveniently accessible in bordering areas and a road and rail network brings the entire Eastern Seaboard, the East and Middle West within economical hauling distance. Power facilities are ample and growing. Water is plentiful.

LABOR: Labor is intelligent, 90% native and in good supply. In skilled trades, it is now in the second and entering the third generation.

Data on taxes, climate, suitable sites, available buildings for industry and community living conditions are available through:

OUT OF BUSINESS!**

● The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

HIGH POINT COLLEGE

WENDELL M. PATTON, JR.,
B.S., M.S., PhD., L.L.D., President

CO-EDUCATIONAL INDEPENDENT — CHURCH RELATED

Regular Session and Evening School
September-May

Summer School — Two Sessions
June-August

Any College — old or young, large or small — must have a living personality separate and distinct from all others. This is what makes it worthy of its name and existence. High Point College stands for some very definite and unique ideas in education and strives to translate them into its way of life. This individuality is deeply rooted in our philosophy and is revealed in our actions. Our fundamental purpose and the very reason for our existence is to assist our students in developing themselves to become the strong leaders in their communities — whatever their vocational choice.

High Point College is a senior, co-educational liberal arts college operating under the sponsorship of The Methodist Church. The College educates young men and women so that they may live useful lives and make worth-while contributions to society.

In addition to the liberal arts curriculum, the College offers specialization in professional areas such as teacher education, business administration, and the sciences. Able students are therefore prepared to attend graduate and professional schools, or to take their places in their chosen careers.

Three degree programs are offered; Bachelor of Arts, Bachelor of Science and Bachelor of Arts in Teaching. Majors are offered in twenty-three areas of concentration.

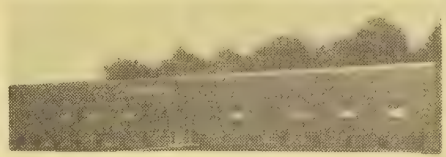

SUPPORTED BY STUDENT FEES, ENDOWMENT INCOME, THE METHODIST CHURCH AND GIFTS FROM ALUMNI AND OTHERS, CORPORATIONS AND FOUNDATIONS.

DEVELOPMENT OFFICE SEEKING GIFTS, TRUSTS, WILLS, AND OTHER GRANTS FOR ENDOWMENT, BUILDINGS, EQUIPMENT, SCHOLARSHIPS AND OPERATING EXPENSES.

CASHIERS! TELLERS! — CLERKS! —

Do your employers furnish you with
the latest edition of the City Directory?

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. Insist on being well represented in its pages.

Complete Homes Built In Our Plant!

Construction of almost every type of home is accelerated as the structural strength is increased. Spacing of trusses is 24" o.c. instead of the usual 16" o.c. used in conventional framing. There's complete flexibility in interior room designs—and unobstructed interiors can span from outside wall to outside wall. You can use non-bearing interior partitions and offer a greater variety of design options to home buyers. Standard trusses range up to 40 feet in length; and special spans are engineered up to 80 feet in length.

**Do your employers furnish you with
the latest edition of the City Directory?**

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

Features and Departments of a City Directory

Your new, improved City Directory is the most complete and comprehensive catalog ever published of the inhabitants, business concerns and institutions of your city. It is much more than just an alphabetical list of names and addresses.

Your City Directory Contains:

1

An *ALPHABETICAL* list of names and addresses of every resident, business concern and institution, plus wife's name and if a widow the deceased husband's initial, and the occupations of all. Principal officers or owners and a description of businesses are included as well.

2

A *HOUSEHOLDERS' DIRECTORY* including a Street and Avenue Guide. This section lists every street and where intersecting streets appear. It lists numerically every location on each street, naming the householder or business at each number and whether the person is a homeowner or renter and if he has a telephone. Similar information is provided on office and public buildings and their occupants.

3

A *CLASSIFIED BUSINESS DIRECTORY* listing every business, classified as to type, and showing names and addresses. It also lists every profession, club, society and association, hospital and cemetery, labor organization, library, park and playground and school.

4

A *"BUYERS' GUIDE SECTION"*, where the advertiser may explain in greater detail the services or products he has to offer.

5

A *STATISTICAL and HISTORICAL STORY* of your city; plus miscellaneous other information.

Out of Sight - Out of Mind

★ *Out of Business* ★

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight.
Insist on being well represented in its pages.

CITY DIRECTORY USAGE SOARS TO NEW HIGH!

Post-war relocation of millions in their permanent homes; readjustment of business to normal conditions; the great new developments in civilian life just over the horizon of the future—these and other things make City Directory listing a "must" for all business people. Remember the huge upswing in City Directory usage.

**MORE PEOPLE
SEE CITY DIRECTORY ADS!**

CASHIERS! TELLERS! CLERKS!

*Do your employers furnish you with the
latest edition of the City Directory?*

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."
